

## **Leading Tax & Audit Services Company Selects Tevron for its ETE Application Monitoring Requirements**

*CitraTest APM selected as the best of breed solution*

**Nashua, NH. USA – May 1, 2015** – Tevron, the leader in IT performance and end to end monitoring & testing solutions, announced today that one of the leading tax & audit service company deployed CitraTest APM (<http://www.tevron.com/citratest-apm.aspx>) across their US locations for the active monitoring of all of their mission critical applications. They have over 150,000 employees worldwide.

Tevron was selected based on their powerful & flexible IT monitoring & testing technology that fully supports every one of their very complex applications and environments (XenApp, XenServer, RDS, VMWare). Having one enterprise monitoring solution that intelligently supports every application, every Windows operating system, and every virtualized environment is invaluable. Unlike the products from other vendors, Tevron offers a tightly integrated, simplified and scalable solution that meets the needs of their complex business and their ever changing technologies.
