

Tevron Announces Re-Launch of Social Media Presence on Twitter, Google+ and Facebook

Tevron stays abreast of industry news & trends across top social media networks

Nashua, NH. USA – June 13, 2014 – Tevron, the leader in IT performance and end to end monitoring & testing solutions, today announced that it has joined the social media conversation with a new company blog and a re-launch of a presence on Twitter, Google+ and Facebook. Committed to growing the success of their partners and customers, Tevron makes it easy to stay up-to-date on industry trends, the latest news in IT, application technology, application quality and performance monitoring.

By actively using popular social media outlets, Tevron will share meaningful updates, product announcements, best practices, IT tips and tricks, as well as provide exclusive access to webinars and other resources. Those interested in keeping informed of Tevron's insights and quickly sharing ideas and feedback are encouraged to connect with Tevron on Twitter at [@tevron](#), on [Google+](#), on their [Facebook Page](#), and on their [company blog](#).
